### Membership fees fund the operational expenses of our office:

salaries (2 full time office staff), infrastructure and communication (internet, telephone, paper, etc).  
 Membership fees also fund expenses related to OBU **activities**: webpage, Die Galpil newsletter, Father-and-son tie presentation function, teachers' function, activities around Interschools (reunion arrangements, Big Brag, old boys' ruby and golf) and the museum.

**Additional discretionary contributions** are required to support the school. The wellbeing of our alma mater is not only the responsibility of teachers and parents. The support of old boys in this regard is crucial. Old boys make a positive difference in a negative world. This is our collective legacy.

### The OBU shall appropriate your financial contribution to the project of your choice.

**BHS Trust:** purpose – provision for capital projects, beneficiary – the school, trustees – school principal, representatives of parents and school governing body, representative of OBU, subject to auditing.

The BHS 150 anniversary and Mega-park development are projects supported by the BHS trust.

**Paarl Boys' Academy:** section 21 Company (association not for gain) making it possible for gifted learners to attend BHS.

**OBU:** donations to the school from time to time in accordance with the OBU constitution. Specific projects or needs are identified in conjunction with the school.

### It is important to know that:

- a) **no** individual or organisation receives commission or financial benefit from your donation;
- b) your **full** donation is allocated to the project of your choice; and
- c) **all** income and expenses are externally audited.

This is a healthy business practice that protects both parties.

Please contact us should you need more information on any of the projects!  
 We look forward to welcome you as member. Together we can achieve more.

**“Be the gentleman Paarl Boys' High is known to raise”**
